

PEIRSON MEYER  
CABERNET SAUVIGNON  
NAPA VALLEY  
2006

WINEMAKER NOTES

The 2006 Peirson Meyer Cabernet Sauvignon is a beautifully complex and dense wine. The signature aroma of blackberry extract is present in full force, complimented with notes of mocha and spice. The concentrated structure indicative of this vintage is sure to reward cellar aging, but is an exciting wine for those who enjoy a full wine in its youth.
